

## Goal 1- ACTION PLAN

80% of Park Valley students k-6 will maintain grade level benchmark on Acadience composite. 100% of Park Valley students will make progress towards benchmark as measured by the Acadience benchmark when taken in he spring of 2020.

Tasks/Activities		
<i>What specific tasks/activities will need to be done to help reach your goal?</i>		
Students will be given diagnostic assessments to identify specific reading skill needs using the BEPA, BPAST, and phonics assessments.		
We will administer the Acadience assessment three times per year and track progress using the progress monitoring materials.		
We will assess the reading fluency of students using the Read Naturally program and progress monitoring and make adjustments accordingly		
Teachers will provide specific skill instruction as well as give formative assessments as student acquire and progress in their reading development.		
An ESP will be hired to work one-on-one with struggling students on their specific needs.		
<b>Review your progress with your evaluator once each trimester.</b>		
Trimester Updates:	Date of Review	Comments
