

Goal 2- ACTION PLAN

Park Valley will hold specific Professional Development sessions based on the needs of our staff and students- SAXON, 95%, Reach Reading, 7Habits, and more as needed. This instruction will result in an improved school climate and understanding of the curriculum being taught to our students, and staff members.

Tasks/Activities		
<i>What specific tasks/activities will need to be done to help reach your goal?</i>		
Teachers will attend Professional Development based on their individual needs.		
Teachers will incorporate their new skills and knowledge in their classrooms.		
Students will set individual goals (one being a reading goal) and monitor their progress.		
A reward system will be established for students who meet or exceed their goal.		
Review your progress with your evaluator once each trimester.
